

**European Protocol Development Committee (EPDC) Meeting**  
Saturday, October 15, 2011

Dear Colleagues:

The next European Protocol Development Committee (EPDC) Meeting will be held at Anadolu Medical Center (CyberKnife Center) in Istanbul, Turkey on Saturday, October 15, 2011. This meeting will be chaired by Professor Philippe Coucke, Chairman of Radiation Oncology at Centre Hospitalier Universitaire in Liège, Belgium and hosted by Professor Kayihan Engin, Director of Radiation Oncology and his CyberKnife team at Anadolu Medical Center. The Anadolu Medical Center (CyberKnife Center), located 1 ½ hours from Istanbul's city center and one of our active CyberKnife centers.

Meeting costs and details on registration will be forthcoming, but space is limited so sign up early!!! The EPDC is a component of The CyberKnife Society's Protocol Development Committee and brings together European CyberKnife users to discuss and define CyberKnife protocols and protocol concepts. **This meeting is restricted to CyberKnife Society members only**, and we encourage all members to attend and participate.

If you have questions, contact Nalani Brown at [nbrown@cksociety.org](mailto:nbrown@cksociety.org).

I hope to see many of you in Istanbul in October!

Sincerely,

Alex Muacevic  
President CKS
